MOTION

MOVED:

Utilizing existing publications, the MTA shall publicize the Executive Order on Advancing Women’s Health Research and Innovation, which was promulgated by President Joe Biden on March 18, 2024. The discussion of the order should include, but not be limited to: a) the Biden administration’s desire to advance women’s health research, close health disparities, and ensure that the gains made in research are translated into real world clinical benefits for women; b) its policy to ensure that women have access to high-quality, evidence – based healthcare and to improve health outcomes for women across their lifespans; c) its policy to develop new comprehensive resources to help ensure that women have evidence – based information about menopause, including menopause – related research initiatives, findings, and symptom – prevention and treatment options; d) its policy to involve the Secretary of Defense and the Secretary of Veteran Affairs in evaluating the needs of women service members and veterans related to midlife health. In addition, the MTA President and board members in their communications will encourage our members to let their families and friends know about this comprehensive executive order and that President Joe Biden has demonstrated his commitment to advancing women’s health care. Also, the MTA through a new NEA business Item will urge the NEA to similarly publicize the executive order.
